PREFACE

IN presenting the **Fiftieth Annual Edition** of the **City of Hamilton Directory**, we thank the business men and patrons in general for the liberal and enthusiastic support which they have given us. The number of names of individuals in the Alphabetical Directory is **54,226**, which, multiplied by 2½, the usual figure used by Directory Publishers, gives a population of 125,565 for Hamilton and the adjacent outskirts. This estimate includes the residents of West Hamilton and the section on the Mountain Top, which is not in the City Limits, and also a number of persons who live in the surrounding towns and villages but who are employed in Hamilton.

Our estimate of the population of Hamilton proper is 127,965.

HENRY VERNON & SON,

Four-Fold Protection

How to Safeguard the Future

When you think of possible deprivation of Income for your family, you perhaps consider only the possibility of your "**death from natural causes.**"

But there are three other possible "routes to poverty" for your loved ones—and it is well to provide against them all.

There's **Accident**—which removes so many in the prime of life.

There's the loss of earning-power, caused by **disability** of the bread-winner, either through illness or accident.

And finally, there is the retirement from life's activities when overtaken by **old age**, often without any savings.

Do you know that you can protect yourself and your family against all four of these contingencies, in one complete Policy?

Such a Policy is now issued by the North American Life Assurance Company—a Policy that pays four ways:

1	2	3	4
Death	**Accident**	**Total Disability**	**Old Age**

This, the fullest insurance covering available, would pay your beneficiary on a $10,000 contract—

At your death, $10,000.

If death be accidental, $20,000.

If you become totally disabled through accident or sickness, this $10,000 contract pays:—

(1) $100 to you each month for your lifetime;

(2) All future premiums on your Policy as they fall due;

(3) $10,000 to your estate at death.

Enquire for full particulars of this Policy that "Pays Four Ways."
